MISSION

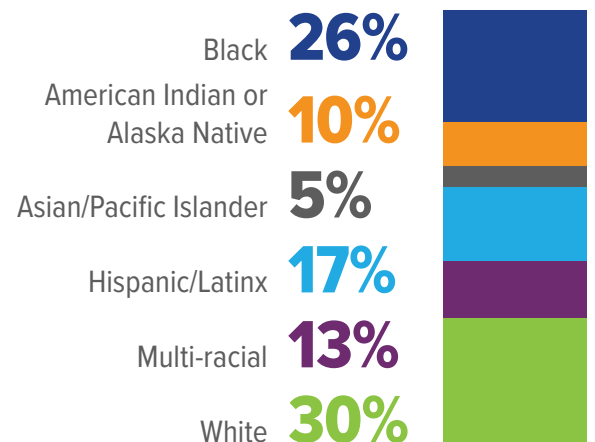

Together with the Westside Tulsa community, Clinton West Elementary School's mission is to educate all students by empowering them to be lifelong learners. We seek to provide the skills, character traits and values necessary to be successful in a changing world. In addition, we desire to challenge our students to achieve their maximum potential in an engaging, inspiring and safe learning environment.

OPPORTUNITIES FOR MENTORSHIP

Students at Clinton West have a community of volunteers who want to see them succeed. Whether they hear from a former peer about life beyond elementary school or eat lunch with a volunteer from different collaborators and partners, we want to help our students build meaningful relationships. In addition, our students participate in Reading Partners, a program in which trained volunteers deliver individualized one-on-one tutoring for elementary students to achieve early literacy.

STEM EDUCATION

Clinton West will utilize our new STEM Lab donated by Cal Ripken, Sr. Foundation and Devon Energy to continue to broaden all aspects of learning utilizing Science, Technology, Engineering, and Math. It will be incorporated into the curriculum, as an enrichment activity, and as an after-school club. Students will enjoy hands-on creations to make learning come to life and connect with their world.

HIGH ACADEMIC ACHIEVEMENT

We have a thriving Gifted/Talented Program and multilingual learners program at Clinton West. The teachers of these programs collaborate with other teachers and students for enrichment, challenges, and successes. Our programs have won awards in previous competitions around Tulsa.

CLUBS AND PROGRAMS

Safety Patrol, Student Council, Bike Club, Girl Scouts, Green Team, Junior Achievement, STEAM club, Any Given Child field trips, and more to come

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Clinton West Elementary School, the 2021 Bond for Tulsa Public Schools includes:

- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
